REMARKS

Enclosed are copies of the four references cited in the International Search Report. Two of these references are cited in the present specification. The Examiner's attention is directed to the International Preliminary Examination Report which in the reasoned opinion finds that the claims as amended in the annexes to the International Preliminary Amendment meets the three standards of patentability.

Also enclosed are copies of U.S. Patents 4,716,573 and 5,515,369 that correspond to the references EP 0 182 762A and WO 96/00467 A, respectively.

Favorable consideration of the present application is hereby requested.

Respectfully submitted,

Melvin A. Robinson (reg. no. 31,870)
